

C & F Tool & Die Co.
7202 Eckhert Road
San Antonio, TX 78238
Phone: 210.522.9310
Fax: 210.522.9373

Serving the Aerospace, Semiconductor, Medical, and Oil-Tool Industries

- Precision Machining
- Specialized Prototype Work
- Production Runs
- AS9100 Rev D and ISO 9001:2008 Dual Registered
- DDTC Registered, renewal 10-31-18 (ITAR)

Equipment Capabilities

- 7 - 3 Axis CNC Vertical Machining Centers with up to 60" x 30" x 30" Travel
- 8 - 4 Axis CNC Vertical Machining Centers with up to 63" x 31.5" x 31.5" Travel
- 2 - 5 Axis CNC Vertical Machining Center 40" x 20" x 26" with 24" Trunnion Table
- 5 CNC Lathes with up to 24" Diameter x 82" Length and Live Tooling, up to 4.5 Dia. bar capacity
- 1 - 2 Axis CNC Vertical Mill with Conversational Control for Shop Floor Programming
- 5 Manual Mills
- 3 Manual Lathes
- 2 Faro Arms - 8 ft. Platinum Series for Inspection and Reverse Engineering
- 1 Surface Grinder
- TIG and MIG Welding with Certification on Aluminum, Stainless and Chrome Moly Steel Alloys
- Hydraulic Testing and Assembly Area
- Stellite and Other Hard Surfacing

CAD CAM / Engineering Capabilities

- MasterCam V. X5, with Solid Model Capabilities for Lathe and Mill with Catia Translator V. 4 and V. 5
- Veri-Cut V. 7.1.2 CNC Code Verification Software
- Verisurf X4 for Inspection and Reverse Engineering

Personnel

- Steve Collier - Partner and Chief Executive Officer - steve@c-ftool.com
- Robert Collier - Partner and Chief Financial Officer - robert@c-ftool.com
- Jason Collier - Operations Manager - jasonc@c-ftool.com
- Chris Thomas - Quality Assurance Manager - chris@c-ftool.com
- Don Charlet - Program Manager - don@c-ftool.com
- Robert Francisco - Production Control/Planner - robertf@c-ftool.com
- Daniel Hale - Outside Services Buyer - danielh@c-ftool.com
- Linda Cavalier - Accounting/Human Resources - linda@c-ftool.com

Precision Machine Work Since 1986
